LEADERSHIP

Moutaz Al-Khayyat
Chairman

An entrepreneur and businessman, striving to explore new business frontiers and provide clients with cutting edge solutions. He has grown his group of companies into a diverse business conglomerate. His leadership and business principles are honesty, hard work, attention to detail and assuring quality.

Ramez Al-Khayyat
Group Managing Director

A business leader with a wealth of experience in operations, risk management and development, Ramez Al-Khayyat is a Qatari businessman based in Doha. He is a second-generation entrepreneur with years of executive experience with his family's contracting company, a hands-on mentality and an eye for detail.

EXECUTIVE TEAM

Dr. Henrik Christiansen
Group CEO, elegancia group

An accomplished leader with C-level experience in Europe and in the Middle East. He drives corporate leadership and strategy, operational management, corporate governance, change programs and building high performance teams, supported by his significant industry experience and strong academic background.

Stephen Kiernan
CEO, elegancia industries

An accomplished executive with more than 20 years of international experience in the UAE, GCC, United Kingdom and Europe. Expert in strategic planning, procurement, business development, new product introductions and client liaison. He has a proven track record of exceeding annual targets.

DESIGN

Uniquely crafted high-end projects.

MANUFACTURE

An array of sophisticated and state-of-the-art machinery and equipment, combined with timeless skills of true craftsmen, such as hand-carvers, traditional cabinet makers, marquetry specialists, upholsterers, and expert spray painters & finishing artists.

SUPPLY

Full range of quality bespoke wood-based products.

INSTALL

Strategic and consistent quality control through every stage.

Our team of craftsmen know what it takes to transform raw material into functional and artistically beautiful pieces, combining expertise, know-how and above all, passion.

► Our Products

All our joinery items are manufactured using high-end precision machines, using only the best quality raw materials and European grade stains and lacquers
