Why Us?

- Fully Qatari Owned Company with excellent rapport and connections
- Diversified staff with loads of experience in the trade.
- We built, managed and operated Simaisama port for 6 years.
- Financial Strength.
- In-House assets to delivery your cargo from port to your door.
- Lastly, but not the least we have multifold experience in cargo deliveries.

CAPACITIES

- We implement high-quality products according to certified laboratories to comply with QCS 2014.
- We import quantity of 6.240.000 Tons yearly, to be supplied to our customers in Qatar Market.
- We have storage yard located in Mesaieed industrial Area with approximately 45,000 m2 capacity of storage.
- We supply high-grade of gabro rock, mainly for the construction industry.
- We ensure that SAFETY and PRODUCTIVITY of our operation is our main priority by providing highly dedicated and professional staff.
- We provide transportations and shipping solutions and services offshore and onshore.

IN PARTNERSHIP WITH QPMC

landmark agreement with Qatar Primary Materials Company (QPMC) to secure a reliable and sustainable supply of raw materials for current and future construction projects. This partnership marks a significant step in supporting Qatar's infrastructure ambitions while enabling innovation through advanced technologies such as Construction 3D Printing.

The collaboration ensures consistent access to high-quality aggregates and raw materials essential for large-scale developments and emerging construction methodologies. It also reflects a shared commitment to sustainability, efficiency, and the adoption of cutting-edge construction solutions that drive progress across the industry.
